Personal Property Inventory

1. List items of value below. Include the item type (bicycle, computer, TV, etc.), the make (Toshiba, HP, Sony), the model, serial #, other ID numbers or markings (the number you engrave), the date of purchase and the original cost of the item.
2. Engrave items with a personal identification number. All items should have the same number. You can use your driver's license number, engraving your 2-letter State abbreviation before your DL number, (For example: TX12345678). **For privacy reasons, do not use your Social Security Number.**
3. Once you are done engraving your items, paint over the number with clear nail polish to make filing down your identifying number more difficult.
4. Keep this form in a secure location where you will be able to find it.
