Others present: Will Casey, Lynn Raymer

The meeting was called to order at 8:37 a.m.

There was a quorum present.

I. Maintenance at the Irene Stern Pollinator Garden was discussed including watering system adjustments, bathroom maintenance, and elimination of weeds in the playground equipment area. A reminder was stated of the \$10,000 allocation for this area.

II. Signage for the Pollinator Garden and several awards for the garden were discussed. Creative signage using rocks by the Girl Scout Troop 28995 was discussed also. CJ McDaniel will be researching the kinds and costs of permanent signage for the spring dedication when all projects should be completed.

Discussion for a small dedication this Fall for the Pollinator Garden included several possible dates with a motion to schedule that event for Saturday 11/15/14 at 2:00 p.m. Scouts were to be notified so they could be present. Most projects by scouts possibly would not be complete until spring.
