

FULSHEAR PARKS COMMISSION REGULAR MEETING 11/14/14

Members present: Elizabeth Voss, Ramona Ridge, Dave Bundrick, CJ McDaniel

Others present: Lynn Raymer, Shannon Purcell

The meeting was called to order at 9:06 a.m.

The minutes were approved as written.

There was a quorum present.

I. CJ McDaniel reported that the fence project would begin 11/21/14 and would continue on 11/22/14 until completed. The bench project would begin and be installed after the fence was completed. Elizabeth Voss was going to check with Dub Sbrasula about replanting the vitex outside the fence before the Grand Opening in the Spring of 2015.

II. Elizabeth Voss reported that a mural was being designed for the outside walls of the restroom building next to the Pollinator Garden. Once the teachers in LCISD came up with a concept, it would be presented to the board for approval. Girl Scout Troop 28995 would be working on the rock signage to be completed by the spring Grand Opening.

III. CJ McDaniel presented ideas for the signage and dedication placques. It was suggested he confer with CJ Snipes about the information to include on the signs. Also there was discussion on the size and number of stones to use for the signs. CJ will check on all of these items including artwork on any signage and report back.

IV. Ramona Ridge discussed the change of date of the 11/15/14 Showcase of the Pollinator Garden to coincide with the Forever Fulshear event on 11/22/14. Since that event was ending at the Irene Stern Community Center at lunch it was determined that it would be a good time to showcase the Pollinator Garden before the Grand Opening in Spring 2015.

V. In reviewing the bylaws of the Fulshear Parks Commission it was discovered that the bylaws had not been written, only the ordinance. It was suggested that members bring examples of bylaws so a discussion could begin at the next regular parks meeting in December. A reminder would be sent with the agenda suggestions and the minutes of this meeting would be sent to the members in advance of the December meeting also.

The meeting was motioned for adjournment and the motion approved at 10:07 a.m.

The next regular meeting will be December 12, 2014.
