Special Use Permits take at a **minimum 90 days** to obtain and must obtain both the Planning Commission and the City Council Approval. Below are the steps needed to take in order to process the permit. Submission of all the paperwork and fees must be turned in to the Building Official at least **30 days** prior to the next Planning Commission Meeting. The Planning Commission meets on the 1st Friday of every month. We strongly advise that a pre meeting at the location for the special use permit takes place with the Building Official in order to go over all the requirements for the Change of Use. You may contact the Building Official and set up an Appointment at any time before or after submission of the Special Use Permit.
