### **2, DISCUSSION: 2010/2011 CITY OF FULSHEAR BUDGET**

Kristina Brashear, the finance director, gave an overview of the proposed budget for 2010/2011 to the Council. The majority of the meeting centered on water and sewer rates. Pump age fees continue to climb and statistics shows that the City Water and Sewer operation budget has fallen short and the City has to continue supporting the additional money to pay the bills each month. There are not enough monies being collected from the users of the water to support the operation of the water and sewer plants. There was much discussion among the Council.

Also, it was noted that the residents of Cross Creek Ranch wish to have garbage collected twice a week instead of once a week. Some of the residents have indicated that they would like a recycling center within the subdivision.
